Welcome to our first County Development Meet.

This is the first time we have run this meet and is something of an experiment and is aimed at swimmers who have missed out on the County Championships.

Age groups are: 9 years (as long as you are 9 years on the day you swim) 10, 11, 12, & 13 years.

Note: Swimmers must be registered as a Category 2 swimmer with the ASA by the closing day of entries to be allowed to swim even as a time trial.

Swimmers Ages are calculated at the 31st December 2017.

Medals

Once the result of the Age Group Finals have been announced and results posted swimmers will be able to collect their medal from the medal table which will be at the shallow end of the pool at the front of the balcony.

Sportsystems software Version 5.3 is being used for the processing and results.

Daktronics Electronic Timing is being operated throughout the meet, supplied by Salisbury ASC.

Please note the times shown on the scoreboard are not official and may have to be adjusted by the referee and any disqualification applied.

Photography Guidance at ASA Events

We are all well aware of the wide range of devices including mobile telephones which have photographic and filming capabilities. This enables the capture of both static and moving images. It should be acknowledged that the majority of images taken within an ASA setting are appropriate and taken in good faith. However, images of children and adults can be misused and sharing images widely without consent may betray a confidence or identify a child or adult which could present a risk of harm to that individual if common sense procedures are not followed.

Parents and Carers of participants under the age of 18 who wish to take images are requested to focus on their own children as much as reasonably possible and to avoid including other children in images, particularly if those images are being shared with family and friends or through social media platforms. Whilst it is acknowledged that parents / carers wish to celebrate the achievements of their own children when taking part in aquatic events it should be recognised and respected that other parents / carers may not wish for their child's image to be taken and shared in this way.

The ASA encourage all spectators and participants at ASA events to make themselves familiar with the photography and filming arrangements for the event and be vigilant during that event. Should you have any concerns about photography or filming at the event please bring this to the immediate attention of the "day of meet manager" who can be found in the meet results office (cupboard) by the exit barriers in the pool corridor.

The ASA is committed to ensuring that all children who participate in ASA activities are able to take part in an enjoyable, safe environment and be safeguarded from harm. If you have any child safeguarding concerns at the event, please contact the "day of meet manager" immediately to disclose your concerns.

The full ASA Guidance on Photography can be found in Wavepower the ASA Child Safeguarding Policy and Procedures available at www.swimming.org
