Welcome to the 2019 Wilts County ASA Championships and Age Groups.

Today we have the sprint events, Championships and Championship Relays based on one length swims (36.67yards).

Age groups are: Boys: 9, 10, 11, 12, 13, 14, 15, 16, 17/18 & 19/Ov and
Girls: 9, 10, 11, 12, 13, 14, 15, 16, 17/18 & 19/Ov.

None of the swims today go on the ASA Rankings as it is not a supported distance.

Something different this year, most events today are swam "slow to fast" but today we are going back in time and swimming "fast to slow". The reason, finalists are usually in the fastest heats, so by swimming first they get more rest time, we allow 20 minutes between heats and finals, so less lost time waiting for that 20 minutes.

The events are Age Group Heat Declared, with a Championship Final, the Junior Championship (Age 15/Un) is taken from any Juniors who make the final and then in time order from the heats. The relays are HDW (heat declared winners).

Swimmers Ages are calculated at the 31st December 2019.
Nine year swimmers must be nine by day of competition.

There will be presentations for the top 3 relay teams, Junior Champions & Champions.
Age group winners trophy's and medals will be packaged and handed to clubs for distribution.

SportSystems software Version 5.3 is being used for the processing and results.
Daktronics Electronic Timing with a 3 line display.

Our thanks must also go to the officials and helpers, without whom this competition could not run.

For a list of designated meets visit the Swim England website www.swimming.org
For district information and qualifying times visit www.swimwest.org

Most important is our own website for results and upto the minute information on the Championships

Photography Guidance at ASA Events

We are all well aware of the wide range of devices including mobile telephones which have photographic and filming capabilities. This enables the capture of both static and moving images. It should be acknowledged that the majority of images taken within an ASA setting are appropriate and taken in good faith. However, images of children and adults can be misused and sharing images widely without consent may betray a confidence or identify a child or adult which could present a risk of harm to that individual if common sense procedures are not followed.

Parents and Carers of participants under the age of 18 who wish to take images are requested to focus on their own children as much as reasonably possible and to avoid including other children in images, particularly if those images are being shared with family and friends or through social media platforms. Whilst it is acknowledged that parents / carers wish to celebrate the achievements of their own children when taking part in aquatic events it should be recognised and respected that other parents / carers may not wish for their child's image to be taken and shared in this way.

The ASA encourage all spectators and participants at ASA events to make themselves familiar with the photography and filming arrangements for the event and be vigilant during that event. Should you have any concerns about photography or filming at the event please bring this to the immediate attention of the "day of meet manager" who can be found in the meet results office (cupboard) by the exit barriers in the pool corridor.

The ASA is committed to ensuring that all children who participate in ASA activities are able to take part in an enjoyable, safe environment and be safeguarded from harm. If you have any child safeguarding concerns at the event, please contact the "day of meet manager" immediately to disclose your concerns.

The full ASA Guidance on Photography can be found in Wavepower the ASA Child Safeguarding Policy and Procedures available at www.swimming.org
