If you are on-line you may now download your swimmers from the British Swimming Rankings database, although you will not be able to download their "Sprint" times as 25m times are not supported.

If they do not download then add them manually. Do not use middle initials for the Sprints.

Entries for the Sprints have to be entered manually as 25m times are not held on "Rankings".

To enter the times: "Entries"

 "Add/Edit Entries"

When a valid time is entered the indicator to the right of the time will be green, if the time is not it will be yellow, please ensure you enter the correct time!

Don't forget to save after each entry or edit.

Entry times for the other blocks are downloaded from rankings.

To download your swimmers select "Tools"
