**VIDEO AND PHOTOGRAPHY**

The Association is becoming increasingly concerned about the new wave of ***mobile telephones and tablets with a photographic capability***, enabling the capture of both static & moving images. The use of such equipment is difficult to control but we can all be vigilant & ***if you have any concerns in this area, please bring them to the attention of someone responsible.***

This event may be photographed and videoed. Static images may be displayed on our website or at the venue and used to promote the sport at this event and events in the future. The mobile phone guidelines will be strictly adhered to at all times.

SE work closely with our experts to ensure that in making these images available to enhance the presentation of the event and that we are not putting any children at risk in any way. If you have any concerns, please refer to Wavepower Document.
